

Lawrence County Agricultural Society

2017 LAWN MOWER DERBY RULES & REGULATIONS

The following rules are in interest of safety for drivers and mechanics. All are subject to and must obey all regulations.

1. No one under the age of eighteen (18) will be able to participate without parent/legal guardian with identification present and waiver signed on their behalf.
2. Each driver must sign a waiver and release of liability.
3. The Law. Co. Agricultural Society along with designated officials reserve the right to approve or reject any and all entries. Also, they shall be empowered to permit minor deviations from any of these specifications or impose any further restrictions that in their opinion do not alter the minimum acceptable requirements. Any interpretation or deviation of these rules is left to the discretion of the Officials and all decisions are final.
4. No one will be allowed in the pit area without a pit pass. **Drivers will be given (1) pit pass only. Additional pit passes will be available at the gate.**
5. No one at any point will be permitted on the track at any time during the event. **If any of your crew members and/or family members come on the track or in press box at any time during the event you and your entry will be disqualified.**
6. Any driver or crew member caught disobeying these rules, regulations or track rules upon the day of the event will cause his or her entry to be disqualified. Any physical fighting will result in immediate disqualification. Anyone who is fighting will be arrested and any other persons or parties involved will be asked to leave the premises immediately. **NO EXCEPTIONS. NO REFUNDS.**
7. This is a family environment/event and any disorderly conduct such as; FIGHTING, CURSING & DRUG/ALCOHOL USAGE IS PROHIBITED.
8. The Law. Co. Agricultural Society, Members, Staff, Committees and Officials will not be held responsible for any cars, mowers, parts or personal property before, during or after the event. Your property is your responsibility.
9. If it is necessary for Law. Co. Agricultural Society to remove any items after this point, owners of items will be charged and filed upon civilly in a court of law for any cost encumbered from the removal of the said property.

Thank You!

The Lawrence County Agricultural Society would like to thank you for helping us to make events a safe and family environment.

Lawrence County Agricultural Society

2017 LAWN MOWER DERBY RULES & REGULATIONS

STOCK MOWERS

- All drivers must wear a helmet, long pants and eye protection.
- Mower must be a factory available mower to include a factory frame. No home-made frames will be permitted.
- No rear engine mowers permitted.
- No pull start mowers permitted.
- All mowers must have factory mower engine. (Maximum of 19 HP, belt driven and air cooled.)
- Leg guards are mandatory!!! Guards must be bolted and/or welded from the rear fender to front of foot rest or frame. (No sharp edges.)
- No rear or front bumpers permitted.
- Reinforcing of the frame is permitted.
- The front of the frame (under the grill) may be reinforced for hitting. (No sharp edges.)
- Transaxles must be factory available mower transaxles. Reinforcing and/or welding of spider gears will be permitted.
- Reinforcing of around the engine is permitted, but must be contained inside of the hood. Also, must maintain factory body lines.
- Mower must have a factory hood and fenders. The hood is to be either screwed or welded down. (If hood is fiberglass you are permitted to make one out of sheet metal only, but must be the same size as the fiber glass hood.)
- Re-gearing and/or changing of pulleys to increase speed is permitted.
- Drive train modifications are permitted, but mower must stay belt driven. (Engine pulleys cannot be bigger than 4" and the pulleys on the rear end cannot be smaller than 3".)
- Mowers must use lawn mower type wheels. No dual wheels or tire chains permitted. Tractor tread and cut tires are permitted, but must be lawn mower type.
- No wheel weights are permitted.
- Mowers must resemble a factory mower, no other modifications will be permitted other than what is stated in these rules.
- Mower brakes must be operational and have forward/reverse gears at the start of the heat.
- Gas tanks must be secured, in a safe location and have gas cap. (If it comes loose or any gas leakage will result in the driver being disqualified.)
- Mower can only contain a maximum of ½ gallon of fuel.
- Mower decks must be removed.
- All headlights, glass and/or plastics must be removed before entering the pit area.
- Batteries must be removed from the mower and can only be used to jump start the mower before the start of the heat.
- If a driver rolls over during the heat, the driver is disqualified. In the event of a roll over, Officials are permitted to stop the heat to set the mower back up.
- If a driver touches the ground with hand, foot or any other part of their body during the heat, the driver is disqualified.
- For the safety of all drivers, no rear end hitting permitted. (Failure to comply can result in disqualification.)
- Mower must have a kill switch.
- Mower must have a visible number on both sides of the mower.
- A driver's meeting to review the rules will be held prior to the start of the heat.
- Any deviation of these rules is left to the discretion of the Officials. Their decision is final.

MODIFIED MOWERS

- All drivers must wear a helmet, long pants and eye protection.
- Mower must be a factory available frame. No home-made frames will be permitted.
- Mowers must be a front engine mower.
- No rear engine mowers permitted.
